

Harbour International Newsletter 17/06/2021

This week it is the turn of one of my favourite IPC Personal Goals - cooperation!

This an important part of school life for children but also for the adults who work in school too. Collaboration is one of the ways the teachers work on developing their classroom practice through coaching sessions, focused learning communities and lesson reflections all with their colleagues.

Enjoy the slides that show a snap-shot of the collaboration that has taken place in school this week.

Cooperation

Cooperation
is working
together.

- Work as a team to achieve a learning target.
- Listen to each other.
- Everyone can share their thoughts and opinions.
- Compromise and find a solution that suits everyone.

Working together is what cooperation is all about. Great cooperation requires respect and trust. Make sure you listen to each other and work together as a team.

4M Cooperation in action

Hands on cooperative learning about the meaning and spelling of prefixes and suffixes.

1E Sandpit Cooperation!

Group 3RJ - Playing together

Cooperation doesn't just take place in the classroom - the children develop many of their cooperative skills in the playground of course.

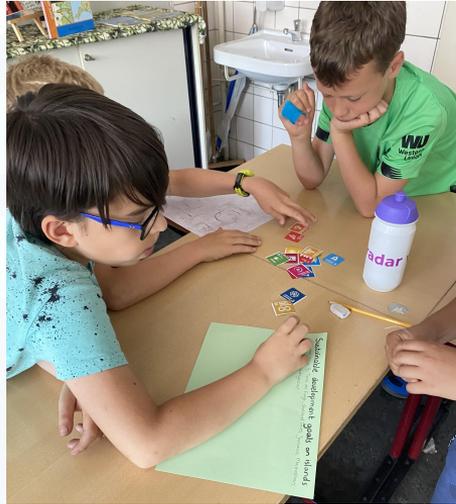

Group 3L - Making a Robot Dance!

Working in a group to make a dance for the robot Dash to do. I hope he doesn't get dizzy!

Group 6R -IPC Cooperation

In IPC we have been working on the topic 'Earth as an Island'. We have been investigating on how the 'Sustainable Development Goals' apply to the islands that we have been learning about. In groups we discussed what the 6 most important goals for the islands are.

Group 7/8 - ICT More Dash the Robot!

Working
together
to create
code for
the
robot
Dash.

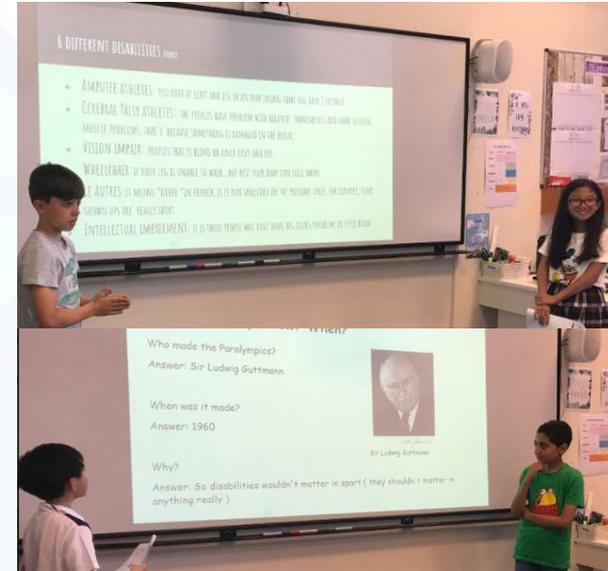

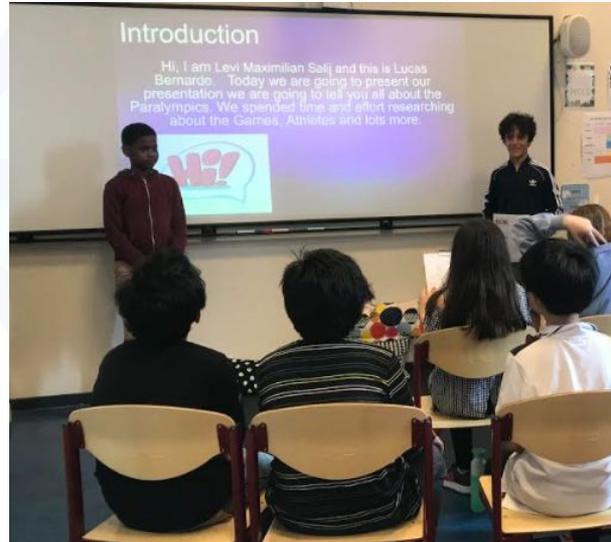

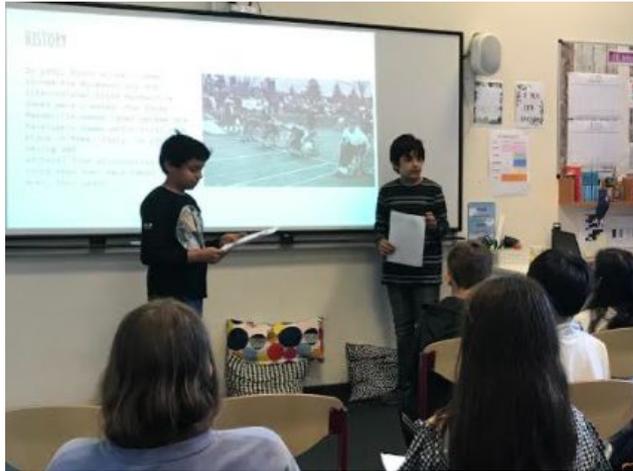

Group 7-8 -Mathematical Cooperation

In Group 7-8 we have been focusing on problem solving in Maths No Problem. The children have been focusing on listening and cooperating when working in teams to solve problems.

Group 7 Cooperative Presentations

In Group 7E children worked together to plan and deliver a presentation on the paralympics.
